- Less than 2mm surface impact
- Short lead times, fast installation
- Fully customisable
- W/ or w/o integration outlets

A premium through desk access unit made with an all metal surround and lid. Discretely covers any clutter while allowing cables to neatly pass onto the work surface. Each unit is tailored to suit the clients' size requirements and can be specified to include power, data and AV outlets. Furthermore the finish and colour of the unit can also be customised, making this an extremely adaptable product.
