

Standard U-Basket - Desk Attachment

O & M Manual

Cleaning Guidelines:
Only use non-solvent based cleaner

1

Make sure hooks are facing the back of desk.

2

Set the distance for hooks depending on the length of basket.
Mark out 4 fixing points at underside of desk.

3

Use 2.5mm drill bit to drill 4 pilot holes.

4

Check screw length is suitable for worktop before fitting.
Use screws to secure hooks in place.

5

Hang basket in place.

6

Push basket backward slightly to unhook.
